

VRHS & OSHS CREW BOOSTER CLUB

2023 COCKTAILS & CREW FUNDRAISER

"ROWING INTO THE FUTURE"

FRIDAY MAY 5TH - ESSEX YACHT CLUB

On Friday May 5th, the VRHS/OSHS Booster Club will host our **2023 Cocktails and Crew** fundraiser at the beautiful Essex Yacht Club.

The funds raised throughout the evening will go to the support of the Valley Regional/Old Saybrook High School crew team.

In order to make our event as successful as we hope, we will need your help!

The VRHS/OSHS crew team is **1 of only 12** rowing programs offered by CT's over 400 public schools. This makes our team of over 40 girls and boys something quite special and greatly valued by our student athletes and our community. The booster club's mission is to advance and support the VRHS/OSHS rowing program and help it achieve success now and into the future.

Our goal is to raise capital to increase and maintain our fleet. The average age of our equipment is **15+ years** and is in desperate need of replacement. In addition, your contribution will support our equipment costs, such as oars, shells, cox boxes, boat racks, ergs, shoes for boats, launch boats and their electric motors, equipment, repainting, and boats. Our fundraising also supports scholarships.

Please consider supporting our event by **donating gift certificates, merchandise or services** to our Silent Auction. You can also help with a generous **individual or business cash donation**. Your gift will be tax deductible (EIN: 81-2709657). The booster club will be happy to pick up your donation or you may mail it to the address below. Please make checks out to VRHS Crew Booster.

Thank you in advanced for considering our request and supporting the VRHS/OSHS crew team
You can make a difference in a young athlete's life!
